Personal Statement

I am a graduate of Generation's Junior Software Developer Bootcamp. Who is an expert on React.JS and a frontend that can handle HTML, CSS, JavaScript, and Node.js As a person who is passionate about development and technically skilled, with dedication, effort, and a willingness to learn from every experience, I can continually improve and achieve my goals.

Skills

HTML, CSS, Bootstrap, Tailwind, JavaScript, React, Node.js, Express.js,
MongoDB, Git, GitHub, Figma, Scrum, Teamwork, Growth Mindset

Experience

Junior Software Developer

July 2023 - October 2023

Generation Thailand

- Built an exercise tracking project to log workouts and calculate burned calories, featuring 5 predefined activities (running, swimming, badminton, hiking, and cycling), with the ability for users to add custom activities
- Accomplished in technical skills like MERN stack and other essential tools like Figma, Git, and GitHub
- Leveraging soft skills in teamwork, communication, and collaboration to drive project success
- Utilized design thinking principles in the project's design process
- Applied Agile and Scrum methodologies within a team project to efficiently manage tasks, planning, meetings, and collaborative work

Government Employee

Ministry of Culture in Buriram province

October 2021 - September 2022

- Handling the office's official documents (Car use schedule, Office monthly expenses, etc.)
- Assisted in purchasing office supplies to ensure the success of office procurement

Digitizing Government Data

*Digitizing Government Data at Mueang Buriram Community-
Development Department in University to Tambon Project (U2T)*

February 2021 - September 2021

- Coordinate with state agencies and individuals interested in participating in the Khok Nong Na Model Program (which follows the concept of Land Development to Maximize Utility under the Philosophy of Sufficiency Economy) This coordination aims not only to ensure their understanding of the project's progress but also to ensure that everything is executed on schedule and delivered in a timely manner
- Recorded and uploaded daily activities to the office website, employing strong time management skills to maintain workflow punctuality
- Coordinated with individuals looking to register their own products, ensuring a successful registration process and adherence to the required steps, ensuring that the products they bring for registration meet the necessary standards

Education

Generation Thailand

July 2023 - October 2023
